## Course Description

This course is designed to give you a broad overview of the many different perspectives from which psychologists try to understand human behavior. By the end of this course, you will be familiar with these perspectives of human behavior: biological, clinical, cognitive, developmental, personality and social psychology. This course is appropriate for those who are interested in an introductory course for the field of psychology.

Please also note that we are very much committed to ensuring an environment of learning where ALL students, regardless of race/ethnicity, sexuality, gender identity, age, ability, income, religion, etc. have an equitable opportunity to succeed. Our goal is enlightenment so we feel strongly that there are no ideas, beliefs, opinions, etc. which cannot be examined from a scientific perspective. To that end, we ask and expect that all students treat each other with respect and courtesy; reject bigotry, discrimination, violence, or intimidation of any kind; and learn how to academically examine and tolerate ideas which are different, perhaps even aversive, at the outset. We look forward to working together to reach a new horizon of knowledge, understanding and compassion.

All other questions about how to use Canvas or issues should go through Canvas Support (Help menu within Canvas). **Be sure to resolve any technical and/or Canvas issues within 3 days of the start of class!**

### Course Policies

#### Excused Absences

- "University Approved Absences" which refer to very specific situations, as detailed by the university [here](https://uaao.unc.edu/faqs-for-students/) [↗](https://uaao.unc.edu/faqs-for-students/) or as bullet-listed below:
  - Club activities are NOT eligible.
- 1. Authorized University activities with official notification from the organization (e.g. travel letter).
- 2. Disability/religious observance/pregnancy, as required by law and approved by Accessibility Resources and Service and/or the Equal Opportunity and Compliance Office (EOC)
- 3. Significant health condition and/or personal/family emergency as approved by the Office of the Dean of Students, Gender Violence Service Coordinators, and/or the Equal Opportunity and Compliance Office (EOC).
- 4. To apply for a UAA because of absences > 5 class days, see here: (scroll ALL the way down until you see "Submit a Request for a University Approved Absence:" <https://uaao.unc.edu/university-approved-absences-request/> [↗](https://uaao.unc.edu/university-approved-absences-request/) )

#### How are Excused Absences accommodated in this course?

- Drop policy (see each grade component to see how many drops are available per grade component)
  - This is the default and **strongly recommended** as the primary accommodation due to pedagogical reasons (specifically, to keep you up-to-date in class) as well as to ensure that you have plenty of time to recover and enough energy to move on to new content.
- Makeup work
  - If you ask for makeup work **within 1 week** (includes business and non-business days) of your return, we will give you an opportunity to make up missed work – but again, dropping assignments is strongly recommended. Requests for makeup work will NOT be granted if the request comes *after* 1 week of your return.
  - When emailing, bullet list the work(s) you'd like to make up. (Makeups are given for missed work during the range of dates which are excused by your UAA.)
  - We will let you know what your new makeup work deadline is/are.

#### Unexcused Absences

- Absences which fall outside of the three circumstances which warrant UAAs, including but not restricted to: club activities/events, interviews (unless interviewer provides documentation that the date of the interview cannot be changed), illnesses which are not severe enough to warrant hospitalization (e.g. cold, flu, stomach virus), travel and/or vacation plans, feeling unprepared, etc.

#### How are Unexcused Absences accommodated in this course?

1. Drop policy (see each grade component to see how many drops are available per grade component). There are NO makeup opportunities for unexcused/non-UAA absences. Such absences are accommodated with drops.

#### Makeup requests which do not necessarily involve absences but which are supported by ARS, EOC, Dean of Students or Gender Violence Services due to a sudden and severe situation

- Makeup requests will be considered - *but are not guaranteed* - for circumstances which are sudden and severe - and only when supported by ARS, EOC, Dean of Students or Gender Violence Services.
- If you ask for makeup work *asap* and **no later than 1 week after the incident**, you may be given a *makeup opportunity*.
- No more than 2 makeup opportunities (total) will be granted, whether for a quiz, assignment or exam. (Please note that this policy was reviewed/discussed with EOC.)
  - If our course accommodations do not meet your needs, it may be that you will want to consider accommodations which are offered by the university.

If a UAA and/or course policies do not accommodate your needs, it is strongly recommended that you consider the following (speak with a university Academic Advisor to get more details);

- taking the course pass/fail: <https://advising.unc.edu/announcement/last-day-to-withdraw-pass-fail-a-course/> [↗](https://advising.unc.edu/announcement/last-day-to-withdraw-pass-fail-a-course/%C2%A0)
- various late and/or medical withdrawal options: <https://catalog.unc.edu/policies-procedures/registration-enrollment-withdrawal/#text> [↗](https://catalog.unc.edu/policies-procedures/registration-enrollment-withdrawal/#text)

**\*\*It is critical that you carefully consider course policies as we will be very firm with these policies in order to be transparent and fair to all students. Grading fairly is important, and so, all students will receive equitable opportunities to do well in the course.\*\***

#### Course Grading Components:

**\*\*Any grading issue must be raised (via the class email account) within 1 week of when grades are posted. Requests will not be considered after 1 week of posting grades for both learning and administrative reasons.\*\***

Assignment	Percentage of Final Grade
Exams (including non-cumulative final exam)	55%
Attendance/Participation (best 80%)	30%
Quiz Average (best 7/11)	10%
Statistical Significance Assignment	5%
<b>TOTAL</b>	<b>100%</b>
<b>Bonus Credit</b>	<b>*</b>

#### Grading Scale

Percentages will be converted to letter grades according to the following scale. Percentage grades which are ".50" or above will be rounded to the next letter grade. Double-rounding will not occur (e.g. ".49" will not be rounded to the next letter grade). In order to be transparent and fair to all students, no additional point/credit opportunities will be given once classes end.

Letter Grade	Percentage	Meaning	Best chance to make this grade
A	93–100%	Excellent: Far exceeds standard	Thoroughly read through chapters & take great notes from chapters as well as from class.  Do all in-class exercises/assignments carefully and thoroughly.
A-	90–92%		Spend at least 6-9 hours per week outside of class** working with course materials, including reading chapters but especially using active learning study strategies.  **A rule of thumb is to spend twice the amount of class time on working with materials outside of class.
B+	87–89%	Good: Exceeds standard	Read through chapters, with some notes. Take thorough notes in class.  Do all in-class exercises/assignments carefully and thoroughly.
B	83–86%		
B-	80–82%		
C+	77–79%	Fair: Meets standard	Skim through chapters and/or look up concepts to complete quizzes.  Take thorough notes in class.  Do all in-class exercises/assignments carefully and thoroughly.
C	73–76%		
C-	70–72%		
D+	67–69%	Poor: Shows growth but falls below standard	
D	60–66%		
F	0–59%	Failing: Deficient	

**Exams: 55%**

4 exams given (including non-cumulative final exam), 3 exams counted (including non-cumulative final exam)

- The university requires that all students take a final exam at the university-set date and time for the course. Thus, the non-cumulative final exam will always be one of the exams counted towards the overall course grade.
- Students will also take Exam 1, Exam 2 and Exam 3.
  - One of Exam 1, 2 and 3 will be dropped, either due to:
    - unexcused absence
    - lowest score (that is, if you take all 3 exams - which we strongly recommend that you do - we will automatically drop the lowest grade of Exam 1, 2 or 3, at the end of the semester. Again, the non-cumulative final exam is never dropped.)
- Exams are in-person, using the Gradescope bubble sheet (see here to print bubble sheet: scroll to "Gradescope Bubble Sheet" : <https://edtech.unc.edu/2022/05/transition-to-gradescope-for-exam-bubble-sheets-by-aug-1/> ↗ (<https://edtech.unc.edu/2022/05/transition-to-gradescope-for-exam-bubble-sheets-by-aug-1/>)).
  - Only the 1st page of the Gradescope bubble sheet is needed - do not bend and/or rip your bubble sheet.
  - Bring #2 pencil AND an eraser.
  - You will need to know your PID number and use your official name.
  - No aids may be used (no laptop, no books or other reading materials)
    - Smartphones should be silenced (no vibration) and put into deepest recesses of backpack or not brought to class. If your phone is seen, your exam will not be counted.
  - Use restrooms before exam.
  - Come to class early or on time. If you are late such that a person has turned in their answers before you arrive, you will be unable to take the exam and it will be your dropped exam.
- As detailed above, for:
  - excused absences (e.g. UAAs or Official Exam Excuse for the final exam), students may choose to:
    - use the drop policy (strongly recommended for Exams 1, 2 and 3; the university requires, however, that all students take a final exam)
    - request to make up the missed exam at the pre-set date/time (see schedule below), *as long as the request is submitted within one week of returning to class* - be sure to email our class email account to make this request. If you need ARS accommodations, you should schedule your make-up exam with ARS after we approve of your request.
    - additional details about the non-cumulative final exam:
      - If you have an Official Examination Excuse, email the class email account asap - and no later than **LDOC**- to RSVP for the pre-set makeup date/time. The makeup final exam is **Wed, May 6th, 9am**. Location: TBD.
        - As according to university policy, an Official Examination Excuse is given if you have 2 final exams at the exact same time, 3 final exams within a 24-hour period or if you are extremely ill. No other reason may be used to take the non-cumulative final exam during the preset makeup date/time. Dean of Students, Academic Advising and Campus Health may all issue Official Examination Excuses.
        - If you miss the makeup date/time we expect for you to come to, you will be given a zero for the final exam.
      - If you have an Official Examination Excuse but have a very compelling reason for why you cannot make up the final exam at the preset makeup date and time, email Dr. Loeb to see if you have permission to makeup the exam during the next semester. IF you receive permission to make up the final exam at a time which is different from the preset makeup date and time, email Dr. Loeb a couple of days before the start of the next semester to arrange a makeup time. Usually, the 2nd makeup date is about a month after classes begin during the next semester - but you'll need to find out the specific details by emailing Dr. Loeb. Your grade, in the meanwhile, will be an "AB." If the temporary "AB" grade is not resolved before the last day of final exams during the next semester, the course grade automatically turns into a permanent "F" as per university policy (see the university catalog: <https://catalog.unc.edu/policies-procedures/attendance-grading-examination/#text>) ↗ (<https://catalog.unc.edu/policies-procedures/attendance-grading-examination/#text>)).
      - If you do NOT have an Official Examination Excuse, email Dr. Loeb immediately (Loeb@unc.edu) and explain why you missed the final exam. Dr. Loeb "may" give you permission to take a makeup final exam (with a 20% deduction, to be fair to all students), but understand that a makeup opportunity is NOT at all guaranteed. If your reason does not warrant a makeup final exam, you will be given a zero for the final exam.
    - unexcused absences (e.g. you do not have a UAA, etc.)
      - if you miss Exam 1, 2 or 3, but your absence is unexcused (as described above), we will drop that exam score (exception: final exam; as described above, if you miss the final exam, the university requires us to give you an AB and you must make up the final exam)

- after one dropped exam, subsequently missed exams will be given a zero (exception: final exam; f Dr. Loeb gives you permission, you may make up the final exam but with a 20% deduction, to be fair to all other students).
- **we strongly advise you NOT to miss an exam because you never know what issue may arise towards the end of the semester**
- if our exam drop policy does not meet your needs, consult a university Academic Advisor to see what university options there may be for your situation: <https://advising.unc.edu/advisor/> <https://advising.unc.edu/advisor/%C2%A0>

Accommodations via University Compliance Office

"**Accommodate**" <https://compliance.unc.edu/access-and-accommodations/accommodate/>." receives requests for accommodations, and through the Student and Applicant Accommodations Policy determines eligibility and identifies reasonable accommodations for students with disabilities and/or chronic medical conditions to mitigate or remove the barriers experienced in accessing University courses, programs and activities.

"Accommodate" also offers its Testing Center resources to students and instructors to facilitate the implementation of testing accommodations.

If you are eligible for accommodations (e.g. extended time on exams and quizzes), be sure to:

- Email a copy of your official Accommodation notification/document to our class email account: [Psyc101Loeb@unc.edu](mailto:Psyc101Loeb@unc.edu) (<mailto:Psyc101Loeb2@unc.edu>).
  - If we do not receive your official notification/document via our class email account, we will be unable to give you extended time on quizzes. Be sure to provide us notice NO LATER THAN 48 HOURS before the quiz or exam you wish to have an extension for. If you send us notification later than this, we may be unable to make the logistical changes necessary to give you the extended time. The best time to give us notice is at the start of the semester.
- For exams, to take advantage of Accommodation services (e.g. extended time, etc.), you MUST:
  - Make arrangements to have "Accommodate" proctor your exams. This also applies to make-up exams if you should be eligible for one.
    - **Make accommodation arrangements for ALL your exams at the start of the semester because if you are unable to take the exam at the same date/time as when the rest of the class takes the exam, you will have 10% deducted from your exam score, in order to be fair to all students.**
  - Schedule your ARS exam to be on the same date/time as when the class is taking the exam.
    - If you need to consider a different date/time, you must email the class email account to seek prior approval and explain why you must take the exam at a different date/time. Approval to take an exam at a time which is different from the time listed in our syllabus is NOT guaranteed.
  - Once you have made arrangements with ARS, be sure to send our class email account an email to let us know so that we can be sure to send a copy of your exam to ARS.
- Be aware that extensions on assignments/quizzes are rarely, if ever, given because assignment/quiz descriptions and deadlines are known from the start of the semester (so you can complete these early) and because we have a drop policy for assignments and/or quizzes which can accommodate issues.
  - If there is a severe and unexpected situation (e.g. hospitalization), consider the following options:
    - submit a request to have your situation reviewed for consideration for an extension:
      - requests will be considered on a case-by-case basis
      - requests should come *before* course work is missed in most circumstances or unless a situation is severe and unexpected (see ARS policies: <https://ars.unc.edu/accommodations/limited-assignment-deadline-extensions> <https://ars.unc.edu/students/request-forms/deadline-extension-request-assignments-papers-reports-etc-only-not-scheduled/>.)
      - Submit a request to have your situation reviewed and an extension considered by submitting this form: <https://forms.gle/jbmz4EugtyznK1a9> <https://forms.gle/jbmz4EugtyznK1a9%C2%A0>
    - taking the course pass/fail: <https://advising.unc.edu/announcement/last-day-to-withdraw-pass-fail-a-course/> <https://advising.unc.edu/announcement/last-day-to-withdraw-pass-fail-a-course/%C2%A0>
    - various late and/or medical withdrawal options: <https://catalog.unc.edu/policies-procedures/registration-enrollment-withdrawal/#text> <https://catalog.unc.edu/policies-procedures/registration-enrollment-withdrawal/#text>

**Quizzes: 10%**

**It is extremely important that you do not open a quiz unless you are ready to take it because you only have one attempt!**

- Quizzes should be treated as mini-exams in that they are comprehensive of the chapter, there is a definitive deadline, and you can only take the quiz once. However, quizzes are not as difficult as exams as they are a check on your basic understanding of the reading. Quizzes are meant to help pace your readings and to help prepare you for class.
- Deadline: 8am EST before the start of the lecture topic (see deadlines on the schedule). We strongly urge you to complete the quiz well ahead of deadlines, in case there are any issues (especially illnesses or technical problems such as internet issues).
- Best 9 out of 12 quizzes will be counted.
  - If well before the deadline (e.g. 1-2 business days before deadline), and during business hours, an IA may be able to reset your quiz (if you had a technical issue). However, there is no guarantee as it depends on when your IA sees your email. Be aware that an IA can only honor one quiz reset request per student for the semester.
  - Do not skip quizzes unless absolutely necessary. Drops are meant to accommodate issues such as illness (e.g. flu or cold) and occasional internet issues. Do NOT use these drops unless absolutely necessary. Additional drops will not be given.
  - If you accidentally open the quiz and do not complete it, you may be unable to receive credit for the quiz. That quiz will simply be counted as a drop.
  - No extensions are given for any reason, including computer problems or illness, as we have a drop policy which can accommodate any issues. It is strongly recommended that you complete quizzes 1-2 business days before the due date as such.
- Open-book, 30 min. time limit. Quizzes which exceed 30 min. will not be given credit.
- After submitting a quiz, it is the student's responsibility to note whether the quiz score has been properly posted in the gradebook.
- ARS-eligible students: as with exams, if you are eligible for extended time, be sure to send us the official ARS notification to our class email account, at least 48 hours before the first quiz you would like to have extended time for. Quizzes will be set up to give you additional time, as according to the ARS notification details.
- Makeup quizzes may be granted to those who have a UAA or for those whose requests are supported by ARS, EOC, Dean of Students or Gender Violence Services IF requests are made within the timeframe outlined in our policies. **Please see descriptions and restrictions above especially when requests must be submitted by.**
- **It is the student's responsibility to email the class email account either before or within 1 week of when you return to let us know which quiz(zes) you would like to make up b/c you have a UAA. If you email past 1 week of your return, you will be unable to make up the quiz(zes).**

**Attendance/participation: 30% - this is an easy way to get credit just for showing up for class!**

80% of your best attendance/participation grades will be counted.

- Grading will generally be:
  - 2 points (full credit) - Came to class prepared, fully participated in assignments/class.
  - 1/2 to 1 point (partial credit) - Came to class and fully participated, however, the student did not perform well on a sufficient number of questions.
  - 0 credit - Student did not come to class.
- If you have a UAA for that class day, you will be excused and are eligible to request makeup work.
- Counting only 80% of attendance/participation is to account for an unlimited number of issues, including but not limited to: illness, various doctor appointments, computer/internet issues, etc.

**Statistical Significance Assignment: 5%**

This assignment is **required of all students** by the deadline listed on the schedule (and before 12p EST, as with all assignments).

- You can re-submit as often as you want so long as it is before the deadline. We strongly recommend that you submit well ahead of the deadline, in case of any technical issues (e.g. internet problems), which ITS may be able to resolve during business hours.
- Grading
  - Full credit = 5 points = if all answers are correct
  - < 5 points = if some answers are incorrect

- There is a 1-point deduction for every day that this assignment is late, beginning 12:05p EST on the day that it is due. As usual, a makeup may be granted to those who have a UAA or for those whose requests are supported by ARS, EOC, Dean of Students or Gender Violence Services IF requests are made within the timeframe outlined in our policies. **Please see descriptions and restrictions above.**
- Do NOT use quotes in these assignments. You must paraphrase to show that you understand enough to use your own words. Additionally, please be sure not to plagiarize (see below).
- While the concepts of this writing assignment can be discussed with others, students must complete and submit this assignment individually and NOT in groups. If wording on assignments is too similar between students, the university requires that we report these students to the honor system. Also be aware that you cannot copy and paste information from other resources, whether from your textbook or the internet, as this is considered to be plagiarism. "At UNC, plagiarism is defined as 'deliberate or reckless representation of another's words, thoughts, or ideas as one's own without attribution in connection with submission of academic work, whether graded or otherwise' " ([Instrument of Student Judicial Governance](https://facultyhandbook.unc.edu/files/2018/02/Instrument.pdf) <https://facultyhandbook.unc.edu/files/2018/02/Instrument.pdf>). Because it is considered a form of cheating, the Office of the Dean of Students can punish students who plagiarize with course failure and suspension. Full information can be found on the [UNC Honor System](https://studentconduct.unc.edu/) <https://studentconduct.unc.edu/> page." (<https://writingcenter.unc.edu/tips-and-tools/plagiarism> <https://writingcenter.unc.edu/tips-and-tools/plagiarism>.) It is the student's responsibility to understand what plagiarism is and to avoid it at all cost.
- You do not need to provide any references or citations, as your work should be based on your chapter readings and/or other class materials.
- Scroll to the end of the syllabus for additional details of UNC's university policy on the honor code.

### Participant Pool

This course has a departmental requirement which directly exposes students to research. Each student is required to complete 7.5 participant pool hours (please read through the Participant Pool information).

- There are two options for completing the 7.5 participant pool hours:
  - Be aware that there are penalties if you sign up for a study but do not show up
  - Option 1: be a participant in a research study
  - Option 2: read research articles & answer questions via a quiz
  - Or you may do a combination of Option 1 & 2
- You must properly register regardless of which option you use.
- If you create an account and complete the screening questionnaire within the first week or two (see the Participant Pool information sheet in Canvas' 1st module), Participant Pool will award you 1.5 participant pool hours. If you complete the screening questionnaire after this period, you will receive .5 participant pool hours for completing the same questionnaire.
- Participant Pool hours must be completed by the last day of class or else we are required to give you 1/2 grade lower than what you earned in the course, as per departmental policy, except if lowering your grade results in an "F," in which case, you will be given an "IN" and given a chance to complete these hours during the next semester.
- **For ANY questions regarding Participant Pool, please contact the Participant Pool Coordinator, Andrew Bresson ([abresson@email.unc.edu](mailto:abresson@email.unc.edu)), (<mailto:abresson@email.unc.edu>) Do NOT contact us as we do not manage this aspect of class.**

The professor reserves the right to make changes to the syllabus, including assignment due dates and exam dates. If such changes are necessary, they will be announced as early as possible. #### UNC University Policies to take particular note of:

By attending the University of North Carolina at Chapel Hill, you agree to abide by the University of North Carolina at Chapel Hill policies related to the acceptable use of IT systems and services. The Acceptable Use Policy (AUP) sets the expectation that you will use the University's technology resources responsibly, consistent with the University's mission. In the context of a class, it's quite likely you will participate in online activities that could include personal information about you or your peers, and the AUP addresses your obligations to protect the privacy of class participants. In addition, the AUP addresses matters of others' intellectual property, including copyright. These are only a couple of typical examples, so you should consult the full [Information Technology Acceptable Use Policy](https://policies.unc.edu/TDCClient/2833/Portal/KB/ArticleDet?ID=131247) [↗](https://policies.unc.edu/TDCClient/2833/Portal/KB/ArticleDet?ID=131247), which covers topics related to using digital resources, such as privacy, confidentiality and intellectual property.

Additionally, consult the [Safe Computing at UNC](https://safecomputing.unc.edu/) [↗](https://safecomputing.unc.edu/) website for information about data security policies, updates, and tips on keeping your identity, information, and devices safe.

UNC-Chapel Hill is committed to fulfilling its responsibilities of transparency as a state-sponsored institution of higher learning, protecting certain types of information, and using information Carolina collects only for appropriate purposes. Consult the [UNC-Chapel Hill Privacy Statement](https://www.unc.edu/about/privacy-statement/) [↗](https://www.unc.edu/about/privacy-statement/) for additional information.

University Compliance Office (UCO) Accommodations Team ([Accommodations – UNC Equal Opportunity and Compliance](https://eoc.unc.edu/accommodations/)) [↗](https://eoc.unc.edu/accommodations/) receives requests for accommodations for disability, pregnancy and related conditions, and sincerely held religious beliefs and practices through the University's Policy on Accommodations. UCO Accommodations team determines eligibility and reasonable accommodations consistent with state and federal laws.

An Honor Code statement is required on all syllabi. You may select from one of the following examples or create your own. More information about Honor Code statements can be found at <https://studentconduct.unc.edu/instructors/honor-syllabus> [↗](https://studentconduct.unc.edu/instructors/honor-syllabus).

- All students are expected to follow the guidelines of the UNC honor code. In particular, students are expected to refrain from "lying, cheating, or stealing" in the academic context. If you are unsure about which actions violate that honor code, please see me or consult [honor.unc.edu](https://studentconduct.unc.edu/) [↗](https://studentconduct.unc.edu/). (source: Department of Asian Studies)
- Students are bound by the Honor Code in taking exams and in written work. The Honor Code of the University is in effect at all times, and the submission of work signifies understanding and acceptance of those requirements. Plagiarism will not be tolerated. Please consult with me if you have any questions about the Honor Code. (source: syllabus from section of HIST 486 offered in 2015)
- The University of North Carolina at Chapel Hill has had a student-administered honor system and judicial system for over 100 years. The system is the responsibility of students and is regulated and governed by them, but faculty share the responsibility. If you have questions about your responsibility under the honor code, please bring them to your instructor or consult with the office of the Dean of Students or the Instrument of Student Judicial Governance. This document, adopted by the Chancellor, the Faculty Council, and the Student Congress, contains all policies and procedures pertaining to the student honor system. Your full participation and observance of the honor code is expected ([honor.unc.edu](https://honor.unc.edu) [↗](https://studentconduct.unc.edu/)). (source: syllabus from section of GEOG 67 offered in 2015)
- As a condition of joining the Carolina community, Carolina students pledge "not to lie, cheat, or steal" and to hold themselves, as members of the Carolina community, to a high standard of academic and non-academic conduct while both on and off Carolina's campus. This commitment to academic integrity, ethical behavior, personal responsibility and civil discourse exemplifies the "Carolina Way," and this commitment is codified in both the [University's Honor Code](https://studentconduct.unc.edu/) [↗](https://studentconduct.unc.edu/) and in other University student conduct-related policies.

UNC-Chapel Hill is strongly committed to addressing the mental health needs of a diverse student body. The [Heels Care Network](http://care.unc.edu/) [↗](http://care.unc.edu/) website is a place to access the many mental health resources at Carolina. CAPS is the primary mental health provider for students, offering timely access to consultation and connection to clinically appropriate services. Go to the [CAPS website](https://caps.unc.edu/) [↗](https://caps.unc.edu/) or visit their facilities on the third floor of the Campus Health building for an initial evaluation to learn more. Students can also call CAPS 24/7 at 919-966-3658 for immediate assistance.

Any student who is impacted by discrimination, harassment, interpersonal (relationship) violence, sexual violence, sexual exploitation, or stalking is encouraged to seek resources on campus or in the community. Reports can be made [online to the UCO](https://eoc.unc.edu/report-an-incident/) [↗](https://eoc.unc.edu/report-an-incident/), or by contacting the [University's Title IX Coordinator](#)

(mailto:%20titlexcordinator@unc.edu), Elizabeth Hall, or the [Report and Response Managers \(mailto:reportandresponse@unc.edu\)](mailto:reportandresponse@unc.edu), in the University Compliance Office (UCO) (formerly the Equal Opportunity and Compliance Office). Please note that I am designated as a Responsible Employee, which means I must report to the UCO any information I receive about the forms of misconduct listed in this paragraph. If you'd like to speak with a confidential resource, those include Counseling and Psychological Services, the University's Ombuds Office, and the [Gender Violence Services Coordinators \(mailto:gysc@unc.edu\)](mailto:gysc@unc.edu). Additional resources are available at [safe.unc.edu](https://safe.unc.edu) (https://safe.unc.edu).

As set out in the University's [Policy Statement on Non-Discrimination](https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=131717) (https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=131717), the University is committed to providing an environment where all members of our community can learn, work, and thrive. Consistent with these principles and applicable laws, it is therefore the University's policy not to discriminate on the basis of age, color, disability, gender, gender expression, gender identity, genetic information, national origin, race, religion, sex, sexual orientation or veteran status as consistent with the University's [Policy on Prohibited Discrimination, Harassment and Related Misconduct](https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=132487) (https://policies.unc.edu/TDClient/2833/Portal/KB/ArticleDet?ID=132487). No person, on the basis of protected status, shall be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination, harassment, or retaliation under any University program or activity, including with respect to employment terms and conditions. The University will consider only relevant factors such as individual abilities and qualifications in admissions, hiring, disciplinary action, and all other decisions and will apply consistent standards of conduct and performance.

If you are experiencing harassment or discrimination, you can seek assistance and file a report through the Report and Response Coordinators (email [reportandresponse@unc.edu](mailto:reportandresponse@unc.edu) (mailto:reportandresponse@unc.edu) or see additional contact info at [safe.unc.edu](https://safe.unc.edu) (https://safe.unc.edu)) or the [University Compliance Office](https://eoc.unc.edu/report-an-incident/) (https://eoc.unc.edu/report-an-incident/). Please note that I am designated as a Responsible Employee, which means that I must report to the UCO any information I receive about harassment or discrimination. If you'd like to speak with a confidential resource, those include Counseling and Psychological Services and the University's Ombuds Office.

The College of Arts and Sciences provides a secure, proctored environment in which exams can be taken. The Center works with instructors to proctor exams for their undergraduate students who are not registered with ARS and who do not need testing accommodations as provided by ARS. In other words, the Center provides a proctored testing environment for students who are unable to take an exam at the normally scheduled time (with pre-arrangement by your instructor). For more information, visit the [testing center website](http://testingcenter.web.unc.edu/) (http://testingcenter.web.unc.edu/).
